The Board and Management of Netball NSW will aspire to:

We will promote ethical behaviour amongst all members by support equality and fairness between individuals as a means of achieving respect for individuals, teams and in support of a harmonious and competitive netball environment.

We will maintain a professional approach to the game at all times. We will promote the traditions of the game of netball whilst always seeking new opportunities to strengthen and expand the game. We will provide assistance to ensure that the facilities required to play netball are of the highest standard possible in all areas across Netball NSW, ensuring all games are played in a safe, healthy and secure environment and that we support the volunteer roles carried out by many of our members.
