3. President's Address

President Louise Sullivan welcomed all to Council, introduced Board members and acknowledged previous President Wendy Archer AM. In the 90th anniversary of Netball in NSW this year netball continues to be number one team sport for women and girls with record membership in 2018.

Thank you to all volunteers, players, officials, supporters, staff, corporate partners and sponsors. Due to their ongoing support, the highlights of 2018 included:

- Strong number of umpires accredited, 1180 new coaches, 6 National Bench Official Accreditations
- Briony Akle made her Elite Coach Debut with NSW Swifts, Congratulations to Julie Fitzgerald coaching 300th elite match and 20th Finals campaign, Several NSW officials invited to the 2018 Commonwealth Games and Fast5 Netball World series.
- Clara Hicks (Randwick) Sharon Kelly (Norths) Vicki Kerr (Sutherland) and the late Dot Lockwood (Tamworth) awarded OAM's. Sharon Kelly OAM honoured with Netball Australia Service award for her incredible contribution to umpiring.
- 3,000 athletes at Netball NSW 50th State Age Championships and over 1,000 at the 50th State Championships with 800 umpires participating.
- Our Marie Little OAM Shield won for fourth year.
- Our Premier League had two new Champions with over 250,000 views of the live streams. Hosted the CourtCraft Fast5 Summer Series.
- Over 1 million people watched Suncorp Super Netball (SSN) Grand Final.
- NSW proudly hosted the inaugural SSN Indigenous Round for our second State Derby of the 2018 season in alignment with NAIDOC week.
- Great support for both our SSN clubs, with Swifts membership up by 29% and GIANTS Netball by 27%. Our GIANTS claimed SSN Minor Premiership for 2018.

- Our Genea Netball Centre hosted the Wheelchair Rugby World Cup and 2018 Invictus Games with revenue streams up by nearly 15% and over 270,000 visitors during the year.
- Many Associations (and Round 14 GIANTS game) hosted “Buy a Bale” initiatives throughout the season in support of drought-stricken communities and farmers. Highest-ever number of Associations (62) participated in Crazy Hair and Sock Day of our official charity partner, The Kid’s Cancer Project.
- Walking Netball successfully launched.
- Pathways: all NSW teams performed admirably in the Deakin University Australian Netball League (DUANL), well placed to be highly competitive in 2019. Canberra GIANTS, a joint venture of Netball NSW and Netball ACT went down by only one goal in the DUANL final. Several of our young athletes selected to team NSWIS in Netball New Zealand Super Club international competition. - Board conducted Pathways Review with a four year strategy of positive and supportive culture that delivers outcomes by being “Stronger Together”.
- Congratulations to all our athletes selected nationally and those NSW based SSN players who were part of the England Roses team who won at Commonwealth Games.
- GIANTS said sad farewell to stellar players Susan Pettit and Bec Bulley with their retirement and to Serena Guthrie who headed home to England.
- State Dinner: Inducted the Netball NSW State Championships and State Age Championships into Netball NSW Hall of Fame, paying tribute to the significant value those events had had over last 50 years. Also inducted Megan Anderson and Mo’onia Gerrard OAM into Hall of Fame, congratulations to them together with all the very worth recipients of the prestigious Anne Clark BEM Service Award.
- The recently announced upgrade of NSW Tennis Centre including roof on Ken Rosewall Arena creates an all-weather high-performance venue for both tennis and netball. Our two professional teams will have a permanent home venue from 2020.
- The new \$65m redevelopment of Moore Park project will provide a state of the art training facility for our Swifts and a and community netball venue.
- Following on from our “Netball in NSW Statewide Facilities Strategy” published last year, Netball NSW in conjunction with several Associations has had positive outcomes through facility related grant funding and other support. Our staff continue to promote strongly for members and Associations to deliver optimal netball facilities across the State wherever possible.
- The Board thanks CEO Carolyn Campbell and the Netball NSW staff for their hard work, professionalism and commitment. President thanked all who had guided and supported her during the year and welcomed new 2018 Directors Vincent De Luca OAM, Diana Fraser and acknowledged John Hahn (now Life Member) who retired as Director at 2018 AGM.

4. Confirmation of the Minutes of the previous Annual General Meeting held on Saturday 24 March 2018

Confirmation of the Minutes from the Annual General Meeting held 24 March 2018.

The following amendment to the minutes is noted:

9. Appointment of a Returning Officer for the ensuing year

MOVED: Board of Directors **Seconded:** Board of Directors for the appointment of Mr Michael Anderson (Company Secretary) as Returning Officer of Netball NSW for the year ~~1 January 2018 to 31 December 2018~~ **24 March 2018 until the 2019 Netball NSW AGM.**

CARRIED

MOVED: Randwick **Seconded:** Hills That amendment to Item 9 of the minutes from the Annual General Meeting held 24 March 2018 and that the minutes be adopted as tabled.

CARRIED

ACTION: Amend and publish the minutes of 24 March 2018.

5. Consideration and adoption of the Netball NSW Annual Report and audited Balance Sheets for the period 1 January 2018 to 31 December 2018

President introduced Michael Anderson (Chief Operating Officer) and Cameron Roan (Partner KPMG).

Company made budget, with a profit of circa \$298,000 at EBITDA level (earnings before interest taxation depreciation and amortisation) for the year, which was a similar result to 2017. Revenue increased 7.8%, with expenses increasing 8.3% (45% of total expenses is employee expense). Slightly cash-flow negative for the year with our cash position reducing by \$46,000 or 2.6%. There was a \$75,000 investment into the Netball Central sinking fund. Budgeting in 2019 for a more modest profit of \$27,000 at EBITDA level. Mr Anderson thanked Director Christine Feldmanis for her expertise and advice in finance, audit and risk over the last 5 years.

- Hills asked individual questions about increase in employee costs, Note 15 increase in annual leave liability, \$1.8m depreciation, life of assets/depreciation, noted increase in expenses outweighed increase in revenue, inclusion grants, interest expense, revenue stream from Genea Netball Centre and asked why have loans outstanding at year end when there is \$750,000 cash in the bank.
 - Michael Anderson (COO) answered the questions separately and explained the requirements of the asset management plan for Netball Central and that cash reserves have fallen during the construction of Netball Central with the company now ideally looking to build back up cash reserves. Netball NSW remains primarily grassroots funded, and the major goal of SSN is to be commercially sustainable with the SSN league and all clubs currently operating at a loss. NNSW will need to continue to invest into our SSN teams for the short to medium term until they become profitable/self-sustaining which was a similar situation to the ANZ Championship era. SSN loss is reducing, with increased commercial revenues across the business and our initial financial modelling of the revamped Ken Rosewall Arena is very encouraging. Loans were for capital expenditure items, and no further loans are envisaged or budgeted for in 2019.
 - Christine Feldmanis (Director) Happy to discuss finances in detail during the morning with the Hills representative and fully explain reason for cash at bank position and the loans taken out (basically due to timing/financial cycles).
 - John Hahn (Life Member): Noted that January and February are the lowest cash flow months therefore end December cash position takes that into consideration, in anticipation of expenses and low revenue in January/February.
 - President: Aware of balance in running the business, grassroots to elite. Good pathways reason for bringing on second elite team. Facilities change (Tennis Centre) from 2020 will give opportunities for Associations - will change the look, cost saving compared to other stadiums, and 10,000 seat venue which enables both Swifts and GIANTS to grow membership in line with Board's vision of sustainability. We are on the journey, aware of the challenge, 2019 is the tight time as community funds growth phase in the interim, 2020 and 2021 will see big change. Strategic plan was set for 2017 – 2020, now resetting that plan to 2020 to 2023 implementing the recent announcement about Tennis Centre into budget, and updated strategic plan for three-year outlook

- John Hahn (Life Member) Does sinking fund increase over the next few years? Goes up heavily over 5 years.
 - Michael Anderson: \$75,000 this year (2018) and another \$75,000 in 2019. Contributions increase to circa \$214,000 from 2020. Over 25 years, sinking fund contributions are approximately \$4.6m.
- John Hahn (Life Member): 5% increase in fees went through easily last year. Camden Association absorbed that 5% increase. With GIANTS Netball and NSW Swifts pressure on budget, we are concerned that there will be another 5% increase in November. Suggest Board does not seek another 5% increase - AFL, Austag are competing with netball for participants.
 - President: Board accepts that 2019 is financially tight. We advocate also. We are here to be fully transparent and accountable. Invited Hills to discuss financials directly with COO and Christine Feldmanis during the morning and submit any further financial questions in writing.

MOVED: Manly, **Seconded:** Mens That the financial questions put to the Board and Management by Hills should be answered after the meeting with answers to be distributed to Council

CARRIED

CARRIED

9.2 Awarding of Life Memberships

Julie Fitzgerald

Janet Drakos (Director) highlighted the multiple reasons for awarding Life Membership to Julie Fitzgerald. Julie has positively impacted so many lives in such a caring, passionate, respectful manner through her coaching and development work (as well as being a mother and grandmother). In two decades of coaching Australia's legends, she has been Head Coach of the Swifts, Assistant Coach of Australian Diamonds, Head Coach of Waikato Bay (NZ) then Head Coach of GIANTS netball taking them to Grand Final in inaugural SSN season. Coach at Ku-ring-gai Netball, mentoring role with North Shore United, NSW selector, member of Appointments Panels, mentor now and all the way through, Julie has not just influenced family and athletes but critical in influencing coaches.

Dell Saunders OAM

Louise Sullivan (President) thanked Dell for her contribution over 65 years at a high level, representing NSW in Open teams, AA badged, President of Newcastle from 1979 to this year, additional service as Council delegate. Ellen Monaghan (Newcastle) paid tribute to Dell, honouring her years as President, recipient of the Anne Clarke award, Newcastle is proud of her, particularly in assisting Charlestown, Port Stephens and Nelson Bay until they became Associations in their own right. A sincere, loyal friend and mentor she is a netballer through and through.

Anne Doring OAM (Life Member) stated that Dell is an icon of netball through her years of coaching, encouraging and fostering umpires - internationally nationally and state level. Also well respected at grassroots level. Dell's honesty and integrity enables her to stand up for what she believes. Dell conducted a Saturday morning talk about netball on local radio promoting netball. Margaret Corbett OAM (Life Member) thrilled that Dell has been awarded Life Membership as she is a true stalwart of NSW: as Council delegate, always forceful in her support for umpires, great advocate for country Associations, ethical, produced national and state players from her district, respected by players and players respect her - a long overdue recognition.

Rodney Watson OAM

Rodney Watson was also awarded life membership. Refer to 9.3 Acknowledgement Presentations to Outgoing Board Members.

9.3 Acknowledgement Presentations to Outgoing Board Members

President thanked retiring Directors Janet Drakos, Christine Feldmanis and Rodney Watson OAM.

Janet Drakos, a member Inner West, on Netball NSW board since 2012, former Queensland and Australian player, coach. During her tenure on Board she has been very active on high performance, risk management of staff and people, great support to Board and staff on match days, hosting corporate partners. Thank you for your time and commitment.

Christine Feldmanis showed the value of an appointed director on Board. As the history-making first appointed director in 2014, Christine brought finance, investment, risk and corporate governance skills to

the Board that we had identified as a gap. Has overseen continual improvement in financial reporting and management. Joined her local Association in Goulburn and supporting Swifts and GIANTS, you made a difference.

Rodney Watson OAM, has always taken pride in wearing the waratah on your sleeve. Introduced Fay LoPo to Netball NSW who, as patron at the time, opened political doors for Netball NSW. Outstanding contribution to Penrith and St Clair Associations, Netball NSW, 18 years as President of Penrith Association. National C umpire, National B, member of Planning and Development committee, chaired Appeals Committee, Sports Marketing committee, delegate to other bodies, facilities involvement in Penrith and wider, Board sub-committees, Commonwealth Games association delegate. Thanks for wise counsel and support over the last 12 months.

Judith Sibbald (Penrith) lauded Rodney's great work ethics, huge capacity for work detail, friendly personality, enthusiasm and skills in applying for grants. In his early days at Penrith it was a challenge for a man to be on executive at that time, Rodney spoke for budgets, forecasts and planning for 21st century, won them over and was elected president

John Hahn (Life Member) paid tribute to Rodney remembering that both of them were the first men in council meetings. Rodney was appointed to planning committee, moving NSW netball into the future.

Rodney's commitment to Netball in NSW was also acknowledged by awarding of Life Membership.

10. Declaration of Board of Directors

10.1 Announcement of Director position vacancies (Returning Officer)

The Returning Officer Richard Kidd, Australian Election Company declared that six nominations were received for three vacancies.

3 Company Secretary

Mr Michael Anderson was appointed to the position of Company Secretary on 1 April 2014, and Mr Anderson is currently the Company's Chief Operating Officer and a Justice of the Peace for NSW.

4 Principal activities

The principal activities of the Company during the course of the financial year were to administer the sport of netball throughout New South Wales and the operation of Suncorp Super Netball (SSN) league clubs, the NSW Swifts and GIANTS Netball.

There were no significant changes in the nature of the activities of the Company during the year.

Company performance is regularly measured against:

- Key Performance Indicators contained in the Company's Strategic Plan;
- Analysis of growth and churn levels of membership and participation numbers;
- The financial results and on-court success of the NSW Swifts and GIANTS Netball SSN clubs;
- Delivery of programs to enhance retention and recruitment of players and volunteers throughout regional and metropolitan NSW;
- Feedback from member associations and other key stakeholders;
- Financial forecasts and budgets approved by the Directors;
- Commercial/sponsorship, membership, ticketing and court hire targets set;
- Performance and development of NSW teams in elite competitions; and
- Court usage levels at Netball Central for netball competitions, training and development programs and also non-netball activity.

The New South Wales Netball Association Limited

Directors' report (continued)

For the year ended 31 December 2019

5 Operating financial review

The profit from operating activities before depreciation and amortisation expenses and financing income amounted to \$223,683 (2018: \$298,782). The loss from ordinary activities after tax for the year amounted to \$1,714,464 (2018:\$1,535,845).

The Company's long term objectives are to promote, encourage and oversee the game of Netball from the junior to elite levels throughout New South Wales and to generally take such action as may be considered conducive to the best interests of the development of the game and the company's financial sustainability.

In order to ensure the long term objectives are being met, the Company will:

- Organise, conduct, and develop competitions within New South Wales from junior to elite levels;
- Design and execute a financial strategy for the NSW Swifts and GIANTS Netball;
- Promote, regulate and control all State level competition between affiliated associations;
- Select and manage netball teams to represent New South Wales in matches against teams representing other States and Territories of Australia and outside Australia;
- Affiliate with and support Netball Australia Limited or such other organisation as shall from time to time exist for the promotion, regulation and control of Netball throughout Australia;
- Work closely with and support Netball Australia and Super Netball Limited with regards to the SSN league and the improvement of the financial performance of this league including in relation to broadcast and commercial arrangements, which impact all clubs;
- Measure and monitor company performance against business plans and benchmarks set; and
- Maximise the usage of the Netball Central facility with both Netball and non-Netball related activities as considered appropriate.

The Company's short term objectives are to increase participation numbers at junior through to elite levels of the game throughout NSW and maximise the performance of the NSW Swifts and GIANTS Netball SSN clubs. We aim to provide a link into elite pathways of the sport, and to create and implement programs which will enhance the education of all participants (players, coaches, umpires, game officials etc) thus ensuring the sustainability and growth of the sport.

In order to ensure the short term objectives are met, the Company will:

- Provide opportunities for regular feedback from Association representatives to Netball NSW to support and enhance membership promotions;
- Review current affiliated association needs and document requirements;
- Ensure competitions remain relevant and consistent with recent reviews undertaken;
- In conjunction with Netball Australia develop and promote appropriate marketing campaigns to encourage young children to become current and future players and supporters;
- Measure and monitor performance at all levels against agreed targets and goals including commercial and sponsorship budgets set;
- Maximise the usage of the Netball Central facility with both Netball and non-Netball related activities as considered appropriate; and
- Monitor the performance of the NSW Swifts and GIANTS Netball in the SSN elite competition.

The New South Wales Netball Association Limited

Notes to the financial statements

For the year ended 31 December 2019

1 Reporting entity

The New South Wales Netball Association Limited (the "Company") is a company domiciled in Australia.

The Company is a not-for-profit entity and is primarily involved in administering the sport of netball throughout New South Wales.

2 Basis of preparation

(a) Statement of compliance

The financial statements are Tier 2 general purpose financial statements which have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements adopted by the Australian Accounting Standards Board and the Corporations Act 2001. These financial statements comply with Australian Accounting Standards – Reduced Disclosure Requirements.

This is the first set of the Company's annual financial statements in which AASB 15 Revenue from Contracts with Customers, AASB 1058 Income of Not-for-Profit entities and AASB 16 Leases has been applied. Changes to significant accounting policies are described in Note 2 (f).

The financial statements were approved by the Board of Directors on 19th February 2020.

(b) Basis of measurement

The financial statements have been prepared on the historical cost basis.

(c) Functional and presentation currency

These financial statements are presented in Australian dollars, which is the Company's functional currency.

(d) Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

(e) New standards and interpretations not yet adopted

A number of new standards are effective for annual periods beginning after 1 January 2019 and earlier application is permitted, however, the Company has not early adopted the new or amended standards in preparing these financial statements.

Of those standards that are not yet effective there are none which are expected to have a significant impact on the Company's financial statements in the period of initial application.

(f) Changes in significant accounting policies

AASB 15 Revenue from Contracts with Customers and AASB 1058 Income of Not-for-profit Entities

The Company has adopted AASB 15 Revenue from contracts with Customers and AASB 1058 Income of Not-for-profit Entities for the first time in the current year with a date of initial application of 1 January 2019. The key changes to Company's accounting policies and the impact on the financial report from applying AASB 15 and AASB 1058 are described below.

The Company has applied AASB 15 and AASB 1058 using the modified retrospective (cumulative catch-up) method which means the comparative information has not been restated and continues to be reported under AASB 111 Construction Contracts, AASB 118 Revenue, AASB 1004 Contributions and related interpretations. All adjustments on adoption of AASB 15 and AASB 1058 have been taken to accumulated funds at 1 January 2019.

Nature of change in accounting policy from adoption of AASB 15 and AASB 1058

The following changes to accounting policy occurred for the Company on adoption of AASB 15 and AASB 1058.

Grants – operating

Under AASB 1004, most grant income was initially recognised as a liability and revenue was recognised as services are performed or conditions fulfilled. Revenue from non-reciprocal grants is recognised when the company obtains control of the funds. Under AASB 1058 and AASB 15, where an agreement is enforceable and contains sufficiently specific performance obligations, the revenue is either recognised over time as the work is performed or recognised at the point in time that the control of the services pass to the customer.

Having reviewed the grants received, all grants fall into AASB 1058. There were no material impact noted on the recognition and measurement of revenue for the year end.

Adoption of AASB 16 Leases

General impact of application of AASB 16 Leases

The Company has applied AASB 16 initially from 1 January 2019, using the modified retrospective approach.

AASB 16 introduces new requirements with respect to lease accounting by removing the distinction between operating and finance leases, requiring the recognition of a right-of-use asset and a lease liability at commencement for all leases except for short-term leases, being less than 12 months and leases of low-value assets.

AASB 16 replaces existing leases guidance, including AASB 117, Leases, IFRIC 4 Determining whether an Arrangement contains a Lease, SIC-15 Operating Leases - Incentives and SIC-27 Evaluation the Substance of Transactions Involving the Legal Form of a Lease.

The New South Wales Netball Association Limited
Notes to the financial statements (continued)

2 Basis of preparation (continued)

(f) Changes in significant accounting policies (continued)

Adoption of AASB 16 Leases (continued)

Impact of the definition of a new lease

The change in definition of a lease mainly relates to the concept of control, AASB 16 determines whether a contract contains a lease on the basis of whether the customer has the right to control the use of an identified asset for a period of time in exchange for consideration.

On transition to AASB 16, the Company elected to apply the practical expedient to grandfather the assessment of which transactions are leases. The Company applied AASB 16 only to contracts that were previously identified as leases. Contracts that were not identified as leases under AASB 117 and AASB Interpretation 4 were not reassessed for whether there is a lease under AASB 16. Therefore, the definition of a lease under AASB 16 was applied only to contracts entered into or changed on or after 1 January 2019.

Leases in which the Company is a lessee

Previously, under AASB 117 for the comparative period, all leases were classified as operating leases and were not recognised in the Company's statement of financial position. The Company recognised operating lease expenses on a straight-line basis over the term of the lease.

Under AASB 16, the Company recognises new right-of-use assets and lease liabilities for its operating leases of rented premises. The nature of expenses related to those leases has changed because the Company will recognise a depreciation charge for a right-of-use assets and interest expense on lease liabilities. Lease incentives, if relevant, are recognised as part of the measurement of the right-of-use assets and lease liabilities.

For short-term leases (lease term of 12 months or less) and leases of low-value assets, the Company has opted to recognise a lease expense on a straight-line basis as permitted by AASB 16. This expense is presented within other expenses in the statement of profit or loss.

Financial impact of initial application of AASB 16

Upon adoption of AASB 16, on initial application as at 1 January 2019, the Company has recognised additional lease liabilities of \$805,413 and corresponding right-of-use assets of \$805,413.

When measuring these lease liabilities, the Company discounted lease payments using a borrowing rate of 4%.

	As at 1 Jan 2019
Operating lease commitment as at 31 December 2018	2,842,300
Recognition exemption for leases with less than 12 months of lease term at transition	25,380
Operating lease commitment as at 1 January 2019 (excluding less than 12 months leases)	<u>2,816,920</u>
Lease liability discounted using the borrowing rate as at 1 January 2019	<u>805,413</u>

For the year ended 31 December 2019

3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements. Certain comparative amounts have been reclassified to conform with the current year’s presentation.

(a) Property, plant and equipment

(i) Owned assets

Items of property, plant and equipment are stated at cost less accumulated depreciation (see below) and impairment losses (see accounting policy (e)).

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Intangible assets, other than goodwill and expenditure on research and development that are acquired by the Company and have finite useful lives are measured at cost less accumulated depreciation and any accumulated impairment losses.

(ii) Subsequent costs

The Company recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied within the item will flow to the Company and the cost of the item can be measured reliably. All other costs are recognised in the income statement as an expense as incurred.

(iii) Depreciation

Depreciation is charged to the income statement on a diminishing value basis over the estimated useful lives of each part of an item of property, plant and equipment. The estimated useful lives in the current and comparative periods are as follows:

	2019	2018
Buildings	25 years	25 years
Cafe Fit-out	5 years	5 years
Furniture and fittings	5-11 years	5-11 years
Equipment	3-11 years	3-11 years
Motor vehicles	4 years	3 years
Website development and software	3 years	3 years
ROU asset	3-94 years	-

The residual value, if not insignificant, is reassessed annually.

The New South Wales Netball Association Limited

Notes to the financial statements (continued)

For the year ended 31 December 2019

3 Significant accounting policies (continued)

(b) Trade and other receivables

Trade and other receivables are stated at their cost less impairment losses (see accounting policy (e(i))).

(c) Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

(d) Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits.

(e) Sinking Fund

Under the terms of its Lease Agreement (Lease) with the Sydney Olympic Park Authority (SOPA) for Netball Central), the Company is required to make annual contributions to a Sinking Fund (Fund) for the facility and these funds are held on the behalf of the Landlord (SOPA). The Fund will only be used to fund the scheduled capitalised maintenance works for the facility in accordance with the lease and the SOPA approved Asset Management Plan (Plan) for the facility. All Fund contributions will be subject to the terms and conditions of the lease agreement and the Plan, and all contributions are up to date at year end.

In accordance with the Lease, the company undertook a review and update of the Plan during 2019, as per the requirement to review the Plan every five years. The review was undertaken by consultant Asset Technologies Pacific.

(f) Impairment

The carrying amounts of the Company's assets, other than inventories (see accounting policy (c)), are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated (see accounting policy (e(i))).

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the income statement, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation with any excess recognised through profit or loss.

Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to cash-generating units (group of units) and then, to reduce the carrying amount of the other assets in the unit (group of units) on a pro rata basis.

(i) Calculation of recoverable amount

The recoverable amount of the Company's investments in receivables carried at amortised cost is calculated as the present value of estimated future cash flows, discounted at the original effective interest rate (i.e., the effective interest rate computed at initial recognition of these financial assets). Receivables with a short duration are not discounted.

The recoverable amount of other assets is the greater of their fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

The New South Wales Netball Association Limited

Notes to the financial statements (continued)

For the year ended 31 December 2019

3 Significant accounting policies (continued)

(f) Impairment (continued)

(ii) Reversals of impairment

An impairment loss in respect of a receivable carried at amortised cost is reversed if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment loss was recognised.

An impairment loss in respect of other assets is reversed if there has been a change in the estimates used to determine the recoverable amount.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(g) Employee benefits

(i) Defined contribution plans

Obligations for contributions to defined contribution plans are recognised as an expense in the profit or loss in the period during which services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payment is available.

(ii) Long-term service benefits

The Company's net obligation in respect of long-term service benefits, other than pension plans, is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using the rates attached to the Commonwealth Government bonds at the balance sheet date which have maturity dates approximating to the terms of the Company's obligations.

(iii) Wages, salaries, annual leave, sick leave and non-monetary benefits

Liabilities for employee benefits for wages, salaries, annual leave and sick leave that are expected to be settled within 12 months of the reporting date represent present obligations resulting from employees' services provided to reporting date, are calculated at undiscounted amounts based on remuneration wage and salary rates that the Company expects to pay as at reporting date including related on-costs, such as workers compensation insurance and payroll tax.

3 Significant accounting policies (continued)

(h) Trade and other payables

Trade and other payables are stated at cost.

(i) Revenue

Revenue recognition policy for revenue from contracts with customers (AASB 15)

AASB 15 requires revenue to be recognised when control of a promised good or service is passed to the customer at an amount which reflects the expected consideration. The customer for these contracts is the fund provider. Revenue is recognised by applying a five-step model as follows:

- 1 Identify the contract with the customer
- 2 Identify the performance obligations
- 3 Determine the transaction price
- 4 Allocate the transaction price
- 5 Recognise revenue

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Sale of goods

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. Revenue is recognised when there is persuasive evidence, usually in the form of executed sales agreements, that the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, and there is no continuing management involvement with the goods.

Rendering of services

Rendering of services revenue represents revenue earned from the Company's trading activities, including membership, sponsorship and gate receipts. Revenue from services rendered is recognised in profit or loss when the performance obligation is satisfied.

Revenue recognition policy for revenue streams which are either not enforceable or do not have sufficiently specific performance obligations (AASB 1058)

Grant income

Assets arising from grants in the scope of AASB 1058 are recognised at their fair value when the asset is received. These assets are generally cash.

Once the asset has been recognised, the Company recognises any related liability amounts (e.g. provisions, financial liabilities).

Once the assets and liabilities have been recognised then income is recognised for any difference between the recorded asset and liability.

The New South Wales Netball Association Limited

Notes to the financial statements (continued)

For the year ended 31 December 2019

3 Significant accounting policies (continued)

(j) Finance income and expenses

Finance income comprises interest income on funds invested and interest income is recognised as it accrues, using the effective interest method.

Finance expenses comprise interest expense on borrowings and lease liabilities. All borrowing costs are recognised in profit or loss using the effective interest method. Interest expenses includes interest in relation to lease liabilities and its calculated based on the bank borrowing rate of a 1-2 year term as appropriate for the lease contract, with a range of 4% on current leases held.

(k) Segment reporting

A segment is a distinguishable component of the Company that is engaged either in providing products or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of other segments.

(l) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the taxation authority is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

(m) Income tax

No provision for income tax has been made in the accounts because of the exemption allowed under Section 50-45 of the Income Tax Assessment Act (1997).

4 Determination of fair values (AASB 9)

(i) *Non-derivative financial assets*

Financial instruments and contract assets

The Company recognises loss allowances for expected losses on:

- financial assets measured at amortised cost;
- debt investments measured at fair value through other comprehensive income; and
- contract assets.

The Company measures loss allowances at an amount equal to lifetime expected credit losses. Loss allowances for trade receivables and contract assets are always measured at amount equal to lifetime expected credit losses.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due.

The Company considers a financial asset to be in default when:

- the borrower is unlikely to pay its credit obligations to the Company in full, without recourse by the Company to actions such as realizing security (if any is held);
- or the financial asset is more than 90 days past due.

12-month expected credit losses are the portion of credit losses that result from default events that are possible within the 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

The maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

Measurement of expected credit losses

Credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Company expects to receive). Credit losses are discounted at the effective interest rate of the financial asset.

Presentation of allowance for expected credit losses in the statement of financial position

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

For debt securities at fair value through other comprehensive income, the loss allowance is charged to profit or loss and is recognised in other comprehensive income.

Write-off

The gross carrying amount of a financial asset is written off when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. The Company expects no significant recovery from the amount written off.

Independent Auditor's Report

To the Members of New South Wales Netball Association Limited

Opinion

We have audited the **Financial Report** of New South Wales Netball Association Limited (the Company).

In our opinion, the accompanying Financial Report of the Company is in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Company's financial position as at 31 December 2019 and of its financial performance for the year ended on that date; and
- complying with *Australian Accounting Standards - Reduced Disclosure Requirements* and the *Corporations Regulations 2001*.

The **Financial Report** comprises:

- Statement of financial position as at 31 December 2019
- Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended
- Notes including a summary of significant accounting policies
- Directors' Declaration.

Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Company in accordance with *the Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

Other Information

Other Information is financial and non-financial information in New South Wales Netball Association Limited's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- preparing the Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards - Reduced Disclosure Requirements* and the *Corporations Act 2001*
- implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error
- assessing the Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

A further description of our responsibilities for the audit of the Financial Report is located at the *Auditing and Assurance Standards Board* website at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our Auditor's Report.

5.6 Historical & Archives Panel Report

The 90 years celebrations allowed the Panel to focus on a variety of tasks, working with Netball NSW staff. Locating memorabilia and researching information was the priority during our monthly workshops at Netball Central.

We were happy to be involved in assisting with projects such as the timeline on level 3 wall, game day celebrations and displays.

The 100 years anniversary is not far away, so District Associations were asked for updated history summaries, so these can be available in the records. Thank you to the Districts who sent in this information; any outstanding can still be completed and forwarded to us during the coming year.

Ongoing projects included identifying members of the NSW Junior State, Touring and Night Tournament Teams, from the sixties, seventies and eighties, who played at National Championships, ensuring these representatives will not be forgotten. We have also refined the arrangement and descriptions of the archives collection.

Many thanks go to the following who donated to the archives during 2019:

- Wendy Archer AM
- Lynette Burgess OAM
- Gail Campbell
- Campbelltown Netball Association
- Beverley Dew OAM
- Ronda Kimble OAM
- Renee Marshall
- Maddy Proud
- Lynn Quinn OAM
- Estate of the late Carole Sykes
- Estate of the late Raelene Turner

We continue to appreciate the efforts of Karen de Ridder, our liaison at the Netball NSW Office.

Panel members Wendy Archer AM, Lynette Burgess OAM, Beverley Dew OAM and Marie Kelly gave unwavering support to me, generously contributing their knowledge and energy freely during the year, helping to preserve our sport's history.
