

Judy Dunbar Media Award Nomination Form

Nominations Close 30 September 2020

Judy Dunbar was an avid and long-serving member of Netball NSW having served on the Board of Directors as well as various committees.

Judy was a fountain of knowledge on netball facts and figures and was the official historian of Netball NSW. In 1989, after many years of dedication to the task, Judy compiled and published a book, "60 Years of Netball in New South Wales", detailing the history of netball in our State.

Until her passing in July 2002, Judy was also the Media Officer for Baulkham Hills Shire Netball Association and was responsible for building the image and increasing the exposure of netball in her local area.

To recognise her dedication to our sport over the years, Netball NSW has named its major media award in her honour. The awards are provided in recognition of an individual or media outlet that has demonstrated an outstanding media contribution to the sport of netball in the relevant category, within a given year.

The Judy Dunbar Media Awards will be presented annually at the Netball NSW State Dinner in November.
