# Competition Rules

## 1) Staying COVID Safe

- When performing challenges participants are reminded to stay socially distant where possible and to follow all current Public Health Guidelines.

## 2) Entry Eligibility

- Entries will be accepted as individual classes
- There is no limit to the number of classes a School can enter however an individual student may only be represented in one class
- For Secondary Schools it is suggested that class entries could be done via Homeroom or PE classes
- Classes must be registered in order for points from completed challenges to be counted
- There is no entry close date, classes can sign up at any time throughout the competition

## 3) Submissions

- There are 2 ways to submit your completed challenges
  - Via the hashtag #UpForTheChallengeNNSW (the profile you are posting from must be set to public so we can see the submission and you must also reference your class name and/or class hashtag)
  - By sending content to our schools email: [schools@netballnsw.com](mailto:schools@netballnsw.com)
- Follow the link for more information: <https://nsw.netball.com.au/submitting-challenges>
- Complete challenges must be submitted by 5pm on the Friday of that week
- Late submissions over the weekend will be considered but will automatically lose 1 point per day late (i.e. -2 points for entries received on Sunday)
- No submissions will be accepted once the next week has begun (i.e. Monday)
- Bonus challenges can be completed and submitted at any point throughout the competition
- One submission per class per challenge, unless stated otherwise on the challenge card
- Submission must be completed in full to be awarded the max points, if incomplete Netball NSW staff will assign points based on the criteria provided on the challenge cards.
- All challenges are optional, however the more challenges you complete the higher your chance of winning is.

#### 4) Points System

- Each challenge will be assigned a points value if completed and submitted
- Challenges will have criteria for points provided. Submissions must adhere to these points criteria in order to be eligible to receive competition points.
- Netball NSW staff will determine the points value and these will be displayed clearly on the challenge cards
  - If submissions do not meet the full points criteria provided, the submission will receive partial points instead for each criteria fulfilled
- Each classes points will accumulate across the challenge to determine the winner at the end
- Netball NSW staff may use their own discretion to award bonus points if a challenge is completed exceptionally well
- If needed an extra tie breaker round will be run to determine the final standings
- Quality of submissions may also affect the points awarded (i.e. no low quality videos, audio or photos)
- Points are not transferrable between classes

#### 5) Prizes

- Netball NSW will endeavour to deliver all prizes in a timely fashion however certain barriers may impede this. If this is the case a suitable alternative will be found
