## Netball NSW – State Teams & Emerging Talent Teams Head Coach, Assistant Coach and Apprentice Coach

### Netball NSW State Teams and Emerging Talent Teams

Netball NSW Performance and Pathways programs aim to lead the way in delivering positive experiences that challenge and inspire a drive to strive for success.

In 2022, Netball NSW will select a 17U and 19U team to represent the state at the National Netball Championships and a Metro Emerging team and Regional Emerging team to play each other in an intra-state tournament.

Athletes will be challenged and supported on and off the court to strive toward individual and team success at the National Netball Championships, Metro V Regional Championships and beyond.

A focus of the Netball NSW performance programs is to establish positive team culture with an emphasis on pride. The program balances maximising athlete development on court, personal growth off court and team cohesion in match play. Above all, athletes are encouraged to **enjoy the challenge**.

These programs play an integral part in continuing the strong tradition of Netball as the number 1 female participation sport and for ensuring that NSW creates a winning culture for athletes who aspire to strive and shine.
