

Memo

To Association Executives, Delegates, Netball NSW Board Members
From Tain Drinkwater – Chief Executive Officer
CC Lauren Woods, General Manager Communities
Date Monday, 17 January 2022
Re **Staffing News – Communities**

Appointment – Executive General Manager, Community & Pathways

Netball NSW are pleased to announce that Tim Fava has been appointed the organisation's new Executive General Manager – Community & Pathways.

An experienced executive, Tim joins the Leadership Team having previously held senior roles at AFL NSW/ACT and most recently Multicultural NSW.

Tim has significant exposure across sports and government, and is highly regarded in his ability to build strong stakeholder and community engagement, implement growth initiatives and utilise data and technology to innovate product offerings in non-traditional markets for growth in participation and government grants. He has also led the national AFL strategy across schools, alternative formats and non-traditional markets.

Tim will join Netball NSW from Wednesday 9 February 2022.

General Manager Communities

It is with great sadness that I advise Lauren Woods has resigned from her role of General Manager Communities, with her last day being Friday 21 January 2022.

Having joined Netball NSW 5 years ago, Lauren has been a tremendous leader, innovator and driver of change across nearly all aspects of Netball in NSW. Lauren will certainly leave Netball in NSW in a better place than when she started, and the programs that are now embedded will be a testament to her legacy of evolving our sport, and being more to our communities than just netball.

We wish Lauren all the best in her new role.

Association Contacts

Netball NSW has continued to evolve the Communities department to best enable netball in NSW to grow and thrive. This has included reviewing the support mechanism for our Metropolitan and Regional Associations to ensure they have a dedicated team member who can be their first point of contact.

A breakdown of the roles and contact details are provided below, we also welcome Danielle Robb who recently started as our Association Support Coordinator and will support our Metropolitan Associations.

Name	Role	Phone	Email
Gill Cotter	Regional Manager	0450 603 220	GCotter@netballnsw.com
Ashlee Birch	Regional Manager	0420 550 642	abirch@netballnsw.com
Kirsten Clarke	Regional Manager	0497 443 991	KClarke@netballnsw.com
Kaytlin Langdon	Regional Manager	0409 013 449	KLangdon@netballnsw.com
Amanda McLachlan	Regional Manager	0419 754 059	AMcLachlan@netballnsw.com
Brooke Berg	Regional Manager	0419 870 466	BBerg@netballnsw.com
Danielle Robb	Association Support Coordinator		DRobb@netballnsw.com

We have also taken the opportunity to review the staffing of the eight regions currently used for competitions (metropolitan, plus seven regional) and have made some slight changes. Please find detailed below the list of Associations which each team member is responsible for.

It is important to note that while Netball NSW team members have been allocated groups of Associations as outlined below, this should not stop any Association from contacting other team members of Netball NSW as and when required. The intent is to provide a dedicated person who is aligned to each Association and therefore aware of any particular issues which may arise, but ultimately the whole Netball NSW team is available to our members at all times.

Please join me in welcoming our new team members to Netball NSW and farewelling Lauren as she embarks on the next stage of her career.
