Team members

To help with team allocation across pools, please provide a player ability rating. These ratings are used as a guide only.

3 - Has a good understanding of the rules. Can competently play without sideline instruction.

2 - Has a reasonable understanding of the rules. Can play with some support/instruction from the sideline.

1 - Requires a lot of instruction either from a support person on the court or from the sideline.

Individual participants

This section is for participants from Netball Associations not able to submit a team due to insufficient numbers. KNA event organisers will allocate these participants to another Netball Association team requiring additional players. Where possible, player ratings will be accounted for when making the allocation.
