2022 PROGRAM

SATURDAY 2 - MONDAY 4 JULY 2022
PENRITH DISTRICT NETBALL ASSOCIATION

WELCOME

On behalf of the Board of Netball NSW I am delighted to welcome all participants to the 2022 HART Junior State Titles which are taking place at the Penrith District and Baulkham Hills Shire Netball Associations this weekend.

I would firstly like to acknowledge the Traditional Owners of all the Lands on which we'll meet over the coming days and pay my respects to the Elders past, present and emerging. I would also like to extend a special welcome to all First Nations peoples who will be either participating in the Junior State Titles, or supporting from the sidelines.

On the back of a very successful Senior State Titles event a number of weeks back, this weekend – after two years of cancellation as a result of the COVID-19 pandemic – the Junior State Titles are making their long-awaited return.

Given this is the largest grassroots netball event on the Netball NSW calendar, I think it's fair to say that netball is back! How good is it to be able to say that?

Absence certainly makes the heart grow fonder and I know we are in for three very special days as participants and fans from all over the state flock in their thousands to both venues.

Before I continue, I would like to acknowledge the players, coaches, officials, volunteers, staff and wider supporters of the game who put so much effort into their Junior State Title campaigns in both 2020 and 2021, only to have their opportunities taken away as the nation grappled with the coronavirus.

I hope many of those affected are taking part this year, but those who aren't should still be immensely proud of their achievement in being selected for representative netball in the first place. When you see the sheer power of our grassroots game, that is no mean feat.

This weekend Penrith plays host to teams contesting Divisions 1 and 2 of the 14U, 13U and 12U age groups, while Baulkham Hills welcomes players in Divisions 3 and 4 of the same categories.

Excitingly, for the first time ever, we will have a Boys Division. A few weeks ago, we saw Ku-ring-gai crowned the first-ever Men's Senior State Titles Opens champions in what was a key – and long overdue – development for our sport in NSW.

A frontrunner in terms of playing numbers when it comes to community sport, netball has long been recognised as the leading team sport for women and young girls, as well as the standout leader in high-performance space for the same demographic.

However, as part of Netball Australia's State of the Game Review, a compelling case was made for netball to be more inclusive in many areas including gender.

The inclusion of male divisions in the Junior and Senior State Titles – the sport's showpiece events at grassroots level – is a vital part of securing our game's future by ensuring it is a safe space for all.

Of course, this weekend doesn't happen by accident.

As anyone who attends our State Titles can attest to, a huge amount of work goes into staging such large-scale events and I would like to take this opportunity to thank the many volunteers at both Penrith and Baulkham Hills, as well as the Team at Netball NSW, for their efforts.

I would also like to acknowledge that this year Penrith celebrate their 50th anniversary, and it is apt for them to be a host Association in 2022 given their immense contribution to the game in this state.

I would also like to thank HART Sport, our Junior State Titles naming rights partner, for all of their continued support of netball in this state.

While I am sure we'll have some future NSW Swifts, GIANTS and Australian Diamonds hitting the courts over the coming days, I think the most important aspect of this weekend is for everyone to enjoy the experience.

The last few years have shown us nothing is ever certain so we should appreciate the collectiveness events like this bring, and powerful impact netball can have across NSW.

Love The Game. .

Louise Sullivan – President, Netball NSW.

PLAYER MINIMUM REQUIREMENTS (40% RULE)

- All players in all age groups must play a minimum of 40% of the total number of available games over the Junior State Titles (40% rule).
- For the benefit of doubt refer to the table below to determine how many matches equates to 40% for each division at Junior State Titles.
- For the purposes of calculation of the '40% rule', two half games equals one full game.
- Where a player is unavailable for games for a medical reason, a medical certificate from a registered Medical practitioner or Physiotherapist or the on-site medic should be submitted with the 40% recording sheet.
- Where the release is provided by the Netball NSW appointed on-site medics a release slip will be completed that can be submitted with the Player match recording form.
- If your own Association appointed Physio or other medical practitioner is providing a medical certificate then this must be provided on their own letterhead.
- 40% of games will be determined from the games the player was available for.

ie: if a player is ruled out for only 2 games of a total of the 19 games by a medical officer, then the 40% rule will be taken from only the 17 games that they are available to play.

- For the full outline of the Player Minimum requirement rule, as taken from the Junior State Titles Competition rules and includes information in relation to disputes, please see the attached extract of clause 4.4.

Division	Total matches	40% equates to:
