2023 Program

Saturday 10 – Monday 12 June 2023

Maitland Netball Association

WELCOME

On behalf of the Board of Netball NSW, it is my pleasure to welcome you all to the Maitland District and Newcastle Netball Associations for the 2023 HART Senior State Titles.

I would firstly like to acknowledge the Traditional Owners of the Lands on which we'll meet and pay my respects to the Elders past, present and emerging. The 2023 Senior Titles will be held on Wonnarua Country and Awabakal Country, we are exceptionally honoured to have the opportunity to play on these Lands.

I would also like to extend my respects to all First Nations peoples who will be participating in the event, or supporting from the sidelines over the course of the three days.

How fantastic is it that we are able to bring the Senior State Titles to regional NSW for the first time since 2016? The Hunter has a fine history in our game, and to have the netball community from all over the State converge on such a beautiful region is just fantastic.

I would like to give special thanks to everyone in Maitland and Newcastle - across the netball family, local government and the business community – for their efforts in making this event a reality.

And, of course, a huge thank you to you – our wider netball community – who will be making the trip from wide and far: from the metro region of Sydney to regional towns as far away as Wagga Wagga.

Few sports in this country can demonstrate such a display of collective force as netball will in Maitland and Newcastle, and everyone should be proud to take part in a very special celebration of grassroots sport.

As with our Junior State Titles, which take place later this year, the State Titles showcase the best that netball has to offer at community level. While we are enthralled by the athleticism and role models of our NSW Swifts and Giants at Suncorp Super Netball level, none of that is possible without what we will witness in the Hunter.

Maitland welcomes participants taking part in Opens Division 1, 17U Divisions 1 & 2, 15U Divisions 1 & 2 as well as the Open Male Divisions 1 & 2.

Newcastle, meanwhile, hosts Opens Divisions 2 & 3 along with 17U and 15U Divisions 3 & 4. That takes a mammoth amount of dedication, organisation, teamwork and love for the game.

A frontrunner in terms of playing numbers when it comes to community sport, netball has long been recognised as the leading team sport for women and young girls, as well as the standout leader in high-performance space for the same demographic.

Last year we introduced Male Divisions for the first time and it is truly heartening to see them return in 2023, demonstrating that netball is a game that has reach far beyond the boundaries some have tried to place on it in the past.

As anyone who attends our State Titles can attest to, a huge amount of work goes into staging such large-scale events and I would like to take this opportunity to thank the many volunteers at our host Associations, as well as the Team at Netball NSW, for their efforts.

I would also like to thank HART Sport, our Senior State Titles naming rights partner, for all of their continued support of netball in this state.

Our vision is to make netball NSW's No.1 sport of choice and opportunity. We aim to do this by providing an environment that champions inclusion, respect, fair play, excellence and fun.

Those are the hallmarks of what we want to see across all courts over the next three days. And, as we know, no-one does it better than netball.

Love the game, and the people you meet along the way.

See you all courtside.

Sallianne Faulkner,

Chair – Netball NSW

SCA
Sports Chaplaincy Australia | Another Level

Sports Chaplaincy Australia is partnering with Netball NSW Senior and Junior Hart State titles to provide care and support to players, officials and parents throughout each of the three-day events at all 4 venues.

A chaplain is a person of peace that confidentially listens, is present, encourages in times of need, in times of crisis or just in the everyday. They hold no other role at State Titles other than to calm, care and support anyone who may need it. Give yourself permission to focus on your role and let the chaplains support any additional emotional and mental needs. When stress levels have peaked in the player or parent tent or there is an injury on court, reach out and they will be there, even if all you need is for someone to stand beside you. They will be your biggest cheerleader, no issue too small or large.

If you are looking for a chaplain, there will always be one available at their pop-up tent and there will also be chaplains moving about the day both courtside and around the tent areas. The events team at each venue will also have their contact details.

OPENING CEREMONY AND PRESENTATIONS

Opening Ceremony

We look forward to welcoming Associations and their teams to the HART Senior State Titles at Maitland Netball Association.

An opening ceremony will commence at both locations from 8:00am, and is expected to take approx. 20 minutes.

Opening Ceremony Assembly

Association teams have been allocated to a court in the list below, this is the court all teams should assemble on for the opening ceremony. 'Team White' (umpires) have also been allocated a court to come together as a group for the Opening Ceremony.

Continuing with our 'buddies' that was started in 2021, Associations have been allocated a buddy again in 2023, as outlined in the list below. Some Associations may have more than one buddy option, this may be due to an Association not having a team in all age groups, hence teams should touch base with the Association who have a team in their age group or reach out to a couple of teams.
