

2023 Netball Central Venue entry fees and parking information

20 July 2023 V3

In 2023 the Sydney Olympic Park Authority (SOPA), has once again kindly agreed to provide to Netball NSW a parking validator to be used under very strict conditions for very specific registered Netball persons only for certain Netball competitions.

The following Netball competition registered persons will under special authorisation from SOPA be allowed validated parking when attending Netball Central for specific competitions and or approved training:

- Players (or their guardians transporting them);
- Officials; and
- Umpires and Volunteers.

Parking validation for the above persons participating or working at Premier League, Metro League, Men's Metro League or the Summer Series Competition evenings during the 2023 year will be provided for up to three hours in an adjacent car park to Netball Central (P3 or P4 car park as directed). However, note validated parking is subject to capacity and availability and is not guaranteed.

***P3/P4 Parking Validator**

Should on occasion the Validator be out of order or not available, Netball visitors will need to pay full price parking. The validator system and P3/P4 car parks are managed and controlled by SOPA; validation offered is a special dispensation for the sport and therefore is an added bonus provided to specific eligible Netball persons as above.

Please note when major events are held in Sydney Olympic Park or at Netball Central parking costs may apply. Netball NSW will provide regular parking information through its communication channels to keep stakeholders updated.
