

What is Netball?

Netball is a sport played in almost every local community and school across NSW. It is a ball sport played by two teams of seven players. Games are played on a rectangular court, either indoor or outdoor with raised goal rings at each end. The aim of the game is to move the ball down the court by passing and catching, scoring a goal by shooting the ball through the goal ring.

It is professionally played in the Suncorp Super Netball and internationally for the Australian Diamonds and Australian Kelpies.

Watch a great video explaining netball [here](#).

Who can play?

Anyone aged 5+
