Age categories will be:

Junior State Titles - 14U

Senior State Titles – Opens and 17U

Final Divisions and Competition Format will be determined following the close of entries.

2024 Association Carnivals

In 2024 Associations may list all dates of the Carnivals that they are hosting. These dates will be available to view from the [Association Carnivals](#) page of the Netball NSW website. Information on how to submit and/or update a carnival is available on the website page.

Also available on the Association Carnivals page of the website, is the Association Carnival Guidelines, this document is available to provide Associations with a Guideline only for the conduct of Representative Carnivals.

With the inclusion of male divisions at State Titles, to promote and drive growth of male participation, a clause has been included around recommendations on including male divisions in carnivals, this includes:

- The inclusion of Male Divisions into the carnival format.
- Where male team entries do not meet a minimum requirement for a competitive male division, male teams are permitted to play as invitational teams within a female division.

2024 Competition Rules and Regulations

All competition rules and regulations are currently under review and are in the process of being finalised. All updated documents can be found on the Netball NSW website under the relevant competition pages. The 2024 documents will be completed prior to the 20th December 2023.
