

2024 Expression of Interest

Emerging Talent Teams Head Coach, Assistant Coach and Apprentice Coach

Netball NSW Emerging Talent Teams

Netball NSW Performance and Pathways programs aim to lead the way in delivering positive experiences that challenge and inspire a drive to strive for success.

In 2024, Netball NSW will select a Metro Emerging, Regional Emerging and First Nations Emerging team to play each other in an Emerging Talent Tournament.

Athletes will be challenged and supported on and off the court to strive toward individual and team success at the Emerging Talent Tournament and beyond.

A focus of the Netball NSW performance programs is to establish positive team culture with an emphasis on pride. The program balances maximising athlete development on court, personal growth off court and team cohesion in match play. Above all, athletes are encouraged to **enjoy the challenge**.

These programs play an integral part in continuing the strong tradition of Netball as the number 1 female participation sport and for ensuring that NSW creates a winning culture for athletes who aspire to strive and shine.

Netball NSW is committed to value and support the Coaches, Managers and support staff that take up the exciting challenge of Performance Netball.
