In 2024, grading will be actioned as per the 2024 Senior State Titles competition rules. 2024 Pre-Entry Grading can be found on the [Senior State Titles](#) page of the website, this is where teams have been graded to prior to entries, as per the Competition rules.

The following clause should assist Associations if they wish to nominate a different grade than what is shown on the 2024 Pre-Entry Grading.

*Clause 3.4.7 – At the time of entry, an Association may submit a request to have their grading for the upcoming 2024 Senior State Titles varied where it can show that the Team under contest will be considerably disadvantaged in the grade they have been graded into, as per the pre-entry grading published by Netball NSW.*

*The Association request for variation is to be by written submission detailing player experience with evidence to support the request and must be provided at the time of the Team entry submission. Failure to provide such submissions at the time of entry will mean that an appeal under Clause 3.5 will not be considered and will be dismissed without hearing.*
