

# DOOLEYS Metro League

## SUNCORP Spirit Award

Suncorp will be supporting the DOOLEYS Metro League Competition in 2024 by sponsoring a 'Spirit' Award to be awarded to a team from each Division.

### Purpose

Suncorp recognise that sport isn't just about the results on court, but the good sporting behaviour shown on and off the court. We are pleased to support this award to those teams that show good sporting behaviour across all areas of Netball.

### Award Criteria

- A team's sporting behaviour (inclusive of Players and Team Officials) will be considered by the opposition. Key areas for consideration will include:
  - Sporting behaviour on and off the court.
  - Showing respect to Match Officials, each other and the surrounding environment.
  - Playing with integrity and having fun.

### Process

- The Competitions Manager and Commercial Partnership Manager will oversee this process.
- Teams will indicate the sporting behaviour of their opposition by way of a rating of each award criteria.
- Each team will submit their vote to the competitions delegate at event control, by way of a confidential voting slip, at the end of each match.
- The ratings will be tallied by the Competitions Manager or their delegate.
- The team with the highest total value will be awarded the 'Spirit' Award at a different date for each division.
- The decision is final and cannot be appealed.

### Recognition

- There will be one team selected from each of the 6 divisions, to be awarded to each team between May and August.
- The winning team will receive a \$250 debit card to go towards a team experience.
