Coaches – Sydney Netball Academy

Sydney Netball Academy Program – Enjoy the Challenge

The Sydney Netball Academy Program is run by Netball NSW. It is one of twelve Netball Academies throughout the state. The other Academies are run by Regional Academies of Sport (RASi) and Office of Sport.

The focus of the program is individual and holistic growth for athletes aged 15 and 16 years of age that show the potential to progress in the Emerging Talent pathway.

The Academy programs provide regular training sessions from January – April and July - September, enabling athletes to focus on representative netball in the lead up to State Titles. Training sessions challenge athletes and umpire athletes to set individual goals and strive for technical and tactical growth.

Competitive opportunities in the Academy program focus more on individual development than winning, allowing all athletes to take risks and experience success. Throughout the program there is a strong focus on physical development and athlete well-being to ensure athletes learn life-long skills that will help them reach their potential on and off the court.

The Academy programs also provide a fabulous opportunity for aspirational coaches, umpire coaches, managers and support staff to not only influence the growth of the next generation and play a significant role in the long-term success of Netball NSW but through regular education and mentoring be challenged and supported in their own growth.

Commitment

Applicants that are successful in gaining an interview will have the opportunity to discuss the planned program at the time of interview. As a guide, coaches should be available to commit to:

- Training sessions between January-April and July-October
- Academy Camp March
- Academy Games April
- Academy Challenge September

Expression of Interest

Expression of Interest –Head Coaches and Assistant Coaches

Netball NSW is seeking Expression of Interest from coaches who have:
