For individual vouchers, please request via the [Netball NSW Voucher Request Form](#)

For **Bulk vouchers**, please email community@netballnsw.com with your request, noting Option 1 or Option 2 as per below table.

Please follow the standard process for All Abilities Membership Discount and Fee Application for 2025:

Option 1: Discount voucher so member pays \$44 All Abilities fee online	
1	<p>Netball NSW will create discount vouchers for Associations on request. The amount of this discount voucher will be based on the following equation:</p> <ul style="list-style-type: none"> • Netball NSW Junior or Senior Fee – All Abilities Fee = Remaining Amount • Remaining Amount will then become the “discount” which will be given in the form of a voucher and leave the member with the All Abilities membership fee of \$44.00 to pay + any association or club based fees. <p>For example, \$113.00/\$89.00 (Senior Fee/Junior Fee) - \$44.00 (All Ability Fee) = \$69.00/\$45.00</p>
	<p>Netball NSW will NOT need to invoice the associations for these discounted amount vouchers as the fee is collected as part of online registration via PlayHQ.</p>
Option 2: Discount voucher to offset TOTAL fee, \$0 is charged online	
2	<p>If a Club or Association who wishes to cover the ENTIRE amount including their own fees and reduce this fee for the member to \$0.00, in a scenario such as Sponsorship for the All Abilities program, or where they want to have all club and association fees offset online and collect \$ manually, the association is required to request vouchers via community@netballnsw.com. Netball NSW will then create vouchers to cover this cost down to \$0.00. Please indicate total cost to cover, and number of vouchers requested (based on the amount of uses in previous year)</p>
	<p>Netball NSW will then invoice the Associations the \$44.00 for any vouchers redeemed during the monthly invoicing cycle.</p>

Any additional vouchers can be requested through the usual voucher request form or via community@netballnsw.com to increase the current amount
