

HART
SENIOR
STATE TITLES

2025 Program

Hosted by
Camden & District Netball Association
Campbelltown District Netball Association

7TH – 9TH JUNE 2025

WELCOME

On behalf of the Netball NSW Board of Directors it is my pleasure to welcome everyone to our 2025 HART Senior State Titles at the Camden & District and Campbelltown District Netball Associations.

I would firstly like to Acknowledge the Traditional Custodians of the Lands on which netballers from across the State will gather for our 2025 event, and pay my respects to Elders past, present and emerging.

I also extend those respects to all Aboriginal and Torres Strait Islander People who will be participating in our wonderful festival of netball over the three days.

On the back of Netball NSW's biggest-ever participant registrations in 2024, it brings me sincere joy to declare that our game is booming across not just this state, but the nation as a whole.

This weekend's Senior State Titles in Camden and Campbelltown are a demonstration of that boom with some of the finest Opens, 17U, 15U, Male and All-Abilities netballers coming together for one of the largest community sporting events in the country.

To say that events like the Senior State Titles take a lot of planning would be a huge understatement. The logistics are simply huge. A collective force of thousands across players, umpires, officials and volunteers with double that again in terms of supporters and you get the picture.

Not only that, you also have the hundreds of kilometers travelled by participants and supporters alike from every region of NSW. It is a mammoth effort for everyone involved and it merits a special mention before we get underway.

In 2025 Camden welcomes participants in the following categories:

- Opens Championship
- 17U Championship & Division 2
- 15U Championship & Division 2
- Men's Opens Championship
- 17U Male Division 1

Campbelltown, meanwhile, welcomes:

- Opens Divisions 2 & 3
- 17U Divisions 3 & 4
- 15U Divisions 3 & 4
- Men's Division 2
- All Abilities

Everyone who takes the court or runs the sidelines at this event will have spent countless hours at their local courts to prepare for this weekend. And while State Champions will be crowned in our Championship Divisions, it is important to note that they will not be the only winners at the close of play on Monday.

To represent your Association at a State Titles is a fantastic achievement in itself. Netball at its core is about community and getting to represent where you come from should make everyone immensely proud.

As well as the health and wellbeing benefits, I also want to highlight the economic impact that our State Titles have on the local areas in which they are held.

With visitors descending from across NSW to the western corridor of Sydney, this event provides a shopfront for local businesses to showcase the best their region has to offer. This ties in well with our charter of being a sport that delivers for our communities first and foremost.

I want to thank our hosts in Camden and Campbelltown as well as the hard-working staff at Netball NSW in advance for a tournament that I know will continue to elevate our game.

Finally I would like to also thank HART Sport, Naming Rights Partner of the Senior State Titles, for their long-standing and continued support. Let the games begin.

Sallianne Faulkner,
Chair – Netball NSW

TALENT IDENTIFICATION

During the Hart Senior State Titles, the Netball NSW Performance & Pathways team will be attending both the Camden and Campbelltown venues to conduct Talent Identification for athletes aged 15–16 years. The purpose of this process is to select a group of athletes to attend the State Titles Talent ID Day, where they will have the opportunity to be further assessed for their potential within the Netball NSW athlete pathway and gain exposure to relevant development programs.

We acknowledge that identifying talent during such a large-scale event can be challenging due to the number of athletes involved. We also recognise that this process may not always fully capture an individual athlete's impact, effort, or performance within their team or association throughout the championships.

Nevertheless, our focus remains on identifying athletes who demonstrate strong potential for future growth and development within the Netball NSW pathway. The State Titles provide a valuable opportunity for the Performance & Pathways team to observe the progression of athletes previously identified through the Regional Academy of Sport program, as well as to discover emerging talent who are currently outside these programs.
